M'ILLUMINO DI EMPORIUM

“Ritrovarsi insieme è un inizio, restare insieme è un progresso, riuscire a lavorare insieme è un successo”. Emporium sceglie la prestigiosa frase di Henry Ford per ribadire l'importanza del gioco di squadra. Una squadra che sposa appieno la filosofia del pensiero positivo. Dal 1997 Emporium reinterpreta il concetto di luce e spazio, attraverso la creazione di oggetti che hanno l'ambizione di suscitare positività, ottimismo e fiducia.

Tutti i materiali plastici utilizzati sono riciclabili.

I'M ENLIGHTED WITH EMPORIUM

“Coming together is the beginning. Keeping together is progress. Working together is success”. Emporium chooses the prestigious quote of Henry Ford to reiterate the importance of teamwork. A team that fully embraces the philosophy of positive thinking. Since 1997 Emporium reinterprets the concept of light and space, through the creation of objects that have the ambition to arouse positivity, optimism and trust.

All plastic materials used are recyclable.

ABOUT US

LO STRAORDINARIO QUOTIDIANO

Dal 1997 **Emporium** coniuga idee, materiali e stile per creare oggetti destinati alla vita di tutti i giorni. Con **Emporium** il design diventa pratico ed accessibile, il quotidiano si trasforma in una esperienza straordinaria, reinterpreta il concetto di luce e di spazio.

Nelle due collezioni "**The Special Light**" e "**Living Book**" il metacrilato, il policarbonato, il legno e le materie plastiche termofuse e riciclate prendono forma grazie a un mix di creatività ed esperienza. Illuminazione e complementi d'arredo vengono pensati per generare emozioni e suscitare un'inequivocabile sensazione di benessere.

POSITIVE DESIGN è il linguaggio di Emporium: una filosofia, un pensiero, uno stile di vita diverso e un modo nuovo di vivere il proprio ambiente. Nascono così creazioni in perfetto stile **Emporium** dal design leggero, essenziale ed ecosostenibile, per entrare nelle case di tutto il mondo.

Tutti i prodotti sono **MADE IN ITALY**.

ABOUT US

THE EXTRAORDINARY EVERYDAY

Emporium is a very fresh brand established in 1997 to promote a new culture of the extraordinary beautiful everyday through objects for lighting and living solutions all 100% designed and made in Italy. Since the early years **Emporium** has been combining ideas, materials and Italian style to create elegant suggestions to surround us day in, day out.

POSITIVE DESIGN is the language of Emporium: a philosophy, a thought, a different lifestyle. Design with Emporium becomes practical and accessible; the everyday becomes an extraordinary experience, reinterpreting the concept of light and space. In the two collections "**The Special Light**" and "**Living Book**" methacrylate, polycarbonate, wood and recycled plastics take shape thanks to a mix of creativity and experience.

Lighting and complementary furnishings are conceived to evoke emotions and offer up an unequivocal feeling of well-being.

This is how products are created in the perfect **Emporium** style, giving them a very light, essential and sustainable design for our worldwide clientele.

All products are **MADE IN ITALY**.

M'ILLUMINO DI EMPORIUM

“Ritrovarsi insieme è un inizio, restare insieme è un progresso, riuscire a lavorare insieme è un successo”. Emporium sceglie la prestigiosa frase di Henry Ford per ribadire l'importanza del gioco di squadra. Una squadra che sposa appieno la filosofia del pensiero positivo. Dal 1997 Emporium reinterpreta il concetto di luce e spazio, attraverso la creazione di oggetti che hanno l'ambizione di suscitare positività, ottimismo e fiducia.

Tutti i materiali plastici utilizzati sono riciclabili.

I'M ENLIGHTED WITH EMPORIUM

“Coming together is the beginning. Keeping together is progress. Working together is success “. Emporium chooses the prestigious quote of Henry Ford to reiterate the importance of teamwork. A team that fully embraces the philosophy of positive thinking. Since 1997 Emporium reinterprets the concept of light and space, through the creation of objects that have the ambition to arouse positivity, optimism and trust.

All plastic materials used are recyclable.
